**House Bill No. 1240\***

by deleting subdivision (22) in SECTION 1 of the bill and substituting instead the following:

(22) "Under the direct supervision" means any application or sale of a pesticide by a certified applicator acting under the instructions and control of a private applicator, commercial applicator or commercial pest control operator who is available if and when needed, if the applicator or operator is physically present or in direct communication by conventional means of communication; and
